New Hydraulic Hose, Fittings & Equipment Catalogue Update

Vapormatic is pleased to announce the launch of a new Hydraulic Hose, Fittings and Equipment catalogue for the Agricultural and Industrial market. This update reflects extensive market research which has allowed Vapormatic to develop a range of hose and fittings to meet the high demands of today's modern equipment ensuring that you are compliant with the latest standards and regulations within the Agricultural and Industrial sectors.

The catalogue runs to over 175 pages with each product category split into 12 logical sections. With over 1,200 parts including 370 new parts, this catalogue and product range update supports all of your hydraulic needs.

Vapormatic catalogues are recognised within the industry as one of the easiest to use, finding products quickly and efficiently. Our new catalogue is no exception with new features and updated information included.

New products

- New Specification Hydraulic Hose ¼" – 1"
- Increased range of two piece fittings
- Increased range of adaptors
- New swaging and hose cutting machines
- Increased range of flat face couplings
- New range of hose protection

Technical Support

This update includes more technical detail and information. Included is information on Hose specifications, guides to identifying Hydraulic fittings, a guide on how to assemble a hydraulic hose, detailed swage dimensions, how to measure the ferrules after swaging, a trouble shooting guide and information on how to fit the Vapormatic mono block valve assemblies

This new catalogue is a further demonstration of Vapormatic's continued investment in its core portfolio to meet the needs of the aftermarket and offer "Parts you can TRUST". Order your catalogue today by adding part No. PEA0016 to your next order or alternatively the catalogue can be found at <https://www.vapormatic.com/vapormatic-e-catalogues/hydraulics-catalogue.ashx>

All Vapormatic quality replacement parts carry an industry leading **12 month parts and labour warranty**. For further information on specific items please visit: www.vapormatic.com
